AURORA HUNTING BY MINIBUS

DURATION: 3 hours

Suitable for: Everybody

ADVENTURE DESCRIPTION:

Here, in Lapland, you can watch the Northern Lights 200 nights a year on average. Aurora borealis lights adorn the sky throughout the year. However, to this phenomenon has been seen, the sky must be dark enough. The best time to observe the northern lights - September to April.

By car, we will go to a location far away from city lights, with a magnificent view of the starry sky. After a short walk we will go to the grill and eat Lappish sausages, cooked on the open fire. Tea and coffee will also be available. Sitting by the fire, guide will tell us about the facts, myths and beliefs associated with the northern lights. If we are lucky, we will see the northern lights, shimmering on the dark blue sky.

PRICE:

ADULT: 69 Euro

CHILD 4-13 y.o.:
55 Euro

INCLUDED:

- * Hotel pickup and drop-off
- * Three hours Aurora hunting programme
- * Tasty sausages sizzled up over the fire, along with a hot drink
- * Professional English speaking guide

PRIVATE NORTHERN LIGHTS HUNTING BY 4X4 VEHICLE

DURATION: 3-4 hours

Suitable for: Everybody

ADVENTURE DESCRIPTION:

Our Private Northern Lights Hunting Tour is designed for those who wish to have a more personal experience in searching for the celestial Aurora Borealis, with photos included. For this tour we use a 4 x 4 Mitsubishi Outlander. Being that we use a smaller vehicle on this tour, it is perfect for 2 to 4 people (plus 1 or 2 kids) maximum.

During our Private Northern Lights Hunting tour our guide will share stories of life in Lapland and also background of the area and the Northern Lights. Be aware that viewing the Northern Lights is dependent on weather conditions and Aurora activity levels. Our guide monitors weather and Aurora activity before and during our tour to make the best efforts to locate a good location.

Welcome aboard our Private Northern Lights Hunting Expedition!

Remember to bring warm outdoor clothing!

INCLUDED:

- * Hotel pickup & drop off

PHOTOGRAPHY TOUR: NORTHERN LIGHTS

DURATION: 4 hours

Suitable for: Adults

ADVENTURE DESCRIPTION:

Experience the magic of Lapland as we embark on an unforgettable hunt for the amazing Northern Lights. Our focus is on the Rovaniemi area and we will travel by minivan. We start from Rovaniemi city center and begin with a meeting about our tour of the day.

Northern Lights are always unpredictable and there is no guarantee that we will find them every night. What we can promise is that we give you the best possible chance to find, experience and photograph these colorful wonders of the Arctic area. Based on the live feed and on local weather and Aurora forecasts we can significantly improve our chances of finding Auroras.

During the night, we normally go to 2-3 different locations which are always chosen according to local weather and photographic opportunities. We highly recommend that you bring your own DSLR camera to our tours, as we cannot guarantee that you are able to take night photos with compact or phone cameras.

INCLUDED:

- * Expedition guide,
- * Hot drinks and snacks,
- * Hunt for the Northern Lights,
- * Hotel pick-up & drop-off.

PRICE:

**Adult:
125 euro**

**Child 4-13 y.o.:

AURORA FLIGHT ABOVE THE CLOUDS

DURATION: 2 - 2.5 hours

ADVENTURE DESCRIPTION:

Enjoy a wonderful journey through a star-studded sky in order to see one of the most spectacular natural phenomena known to man.

Aurora Borealis is “dancing” on the Arctic sky from 80-90% of the dark nights. The phenomenon is not always available to witness from the ground, clouds block the visibility and keep us waiting. Don't miss your chance to see the lights on your precious holiday time! The Northern Light Flight will climb above the clouds and fly you closer to admire this natural wonder.

Piper PA31 private jet has 7 passenger seats and two pilots will be taking good care of you while chasing the lights. Flight time is around 1 hour, including takeoff and landing.

INCLUDED:

- * Hotel pickup and drop-off
- * Aurora flight 40-60 minutes
- * Takeoff and landing preparations
- * Guidance is in English, other languages on request

EXCURSION TO A REINDEERS FARM WITH LUNCH

DURATION: 3 hours

ADVENTURE DESCRIPTION:

Welcome to Sierijärvi Reindeer farm! Residents and farmers of this place are engaged in reindeer breeding for last 400+ years. Following a detailed introduction to reindeer life, you will have a unique opportunity to pass a test and obtain your special reindeer sleigh "driving licence" without any age restrictions. Take a seat in the sleigh and you are off.

Getting cold? Warm yourself up next to the open fire in the hut and enjoy a cup of hot juice. In this traditional Lapland hut you will be "baptized" in the ways of the North. This event must be celebrated, so a national supper awaits all newly-made Lapps!

Enjoy reindeer meat cooked according to an ancient recipe, with lingonberry sauce, mashed Lappish potatoes, pickles, sweet dessert and juice.

THE AMETHYST MINE IN LUOSTO

DURATION: 5-6 hours

ADVENTURE DESCRIPTION:

The Lampivaara Amethyst Mine is a fascinating travel destination all year round. The amethysts of Lampivaara fell were born 2 000 million years ago, deep in the bowels of the ancient mountains. You will travel to Lampivaara amethyst mine with special "snow train" Amethyst Pendolino which is a warmed wagon pulled by a snow machine.

Pendolino will take you to the top of Lampivaara fell where you can enjoy the very top view of the area, over the Pyhä-Luosto National park. Then you will be seated in wooden shelter, shipping warm berry juice and listening the facts and fictions of this fascinating purple gem stone. During the guided tour you will learn about the geology that created the amethyst, their properties, the history of the mine and some of the uses of amethyst.

INCLUDED:

- * Hotel pickup and drop-off
- * Professional English speaking guide
- * Amethyst mine guided tour
- * Amethyst Pendolino snow train
- * Hot drinks
- * Digging your own lucky stone

FROZEN WATERFALLS - KOROUOMA NATIONAL PARK

DURATION: 5-6 hours

ADVENTURE DESCRIPTION:

Korouoma is a 30 kilometers long geological fracture valley in Posio. It is a part of a fracture zone in the bedrock, which is hundreds of millions of years old. At the center of Korouoma the fracture valley forms a gorge with high cliff faces. Small streams which cascade down the cliff faces in the summer, freeze into beautiful frozen waterfalls during winter, making Korouoma the number one ice climbing destination in Finland.

Upon arrival Your guide will lead the way! This 1,5 km hike is geared towards the active traveler and contains moderate elevation gain (220m). This portion of the trip takes about 40 minutes walk. Now you can get your breath back while enjoying a snack and hot drinks by the open fire and making unique photos of wild Lappish nature. Quite frequently we see reindeer, moose, red fox along the way.

INCLUDED:

- * Hotel pickup & drop off
- * Transportation during your journey
- * Guided hiking 3.5 trip
- * Complimentary snacks by the open fire
- * Hot beverages

ICE FISHING ON THE FROZEN LAKE OR RIVER

DURATION: 3 hours

ADVENTURE DESCRIPTION:

Ice fishing is a very popular leisure time activity for local people in Lapland, it suits for everyone! Rovaniemi is ideal for fishing buffs: we have great selection of frozen rivers, rapids, lakes and ponds in the area. The ice gets very thick in the winter and you are safe to walk and stay on it.

We will approach one of these spots by the car and set our fishing spot up in a lovely wilderness atmosphere. Our guide will introduce you the technic of ice fishing. First you will drill your own hole into the ice and then place the hook into water.

Fish don't expend much energy during the winter months, therefore if you move your bait or jig too fast a fish might let it go in order to save energy. Catch is not guaranteed, but most likely for patient fishermen.

INCLUDED:

- * Return transfers from Rovaniemi hotels
- * All described activities, services and equipment
- * Hot drinks and grilled sausages on open fire
- * Professional English speaking guide
- * Use of thermal clothing during the safari (thermal overall, boots, gloves, woolen socks, a scarf)
